Company Overview

GETWAB INC. is a dynamic and innovative IT firm based in Sarasota, FL, specializing in web development, mobile application development, and software development. With over 10 years of experience in the industry, GETWAB INC. offers custom solutions tailored to the specific needs of clients, ensuring efficient and scalable products.

Core Competencies

- **Web Development & Design:** Custom website design, development, and ongoing maintenance with a focus on responsive, user-friendly, and SEO-optimized interfaces.
- **Mobile Application Development:** Creation of cross-platform mobile applications with a focus on performance and user experience.
- **Software Development:** Development of custom software solutions, including enterprise-level applications, with robust backend systems.
- **IT Consulting:** Providing strategic IT consulting services to streamline business processes and optimize technological infrastructure.
- **Cybersecurity Services:** Implementation of security measures to protect data and maintain the integrity of business operations.

Past Performance

As an independent contractor, GETWAB INC. has successfully delivered multiple projects across various domains, focusing on:

- **Development and Deployment of Web Applications:** Designed and deployed scalable web applications for small to medium-sized businesses.
- **Custom Software Solutions:** Developed software tailored to the unique needs of clients, enhancing their operational efficiency.
- **Mobile App Development:** Created functional and user-friendly mobile applications, ensuring a seamless experience across devices.
